counsellors will keep them available

CFC: 1) All is well at the jail. We have been having great meetings. We still need volunteers even though we have a solid team.

2) "Guests" are getting the little big books and literature upon request. Also the library is restocked.

3) We've recently been getting requests for contacts for individuals getting out of prison and being released in our area. If your interested in helping with their transition please let me know. This involves corresponding with them and getting them to meetings, maybe sponsorship

4) I'll be going to the Freedom from Bondage conference March 9-11. I've been asked to be apart of a panel on Service. The topic addresses lack of service involvement in AA. I will be speaking on how to come along side members and how rewarding service work is, what a joy it is and how it's saved my butt.

5) We have a room with an extra bed if someone would like to go. The district has paid it

Special Needs: The good news is that I have someone on call to assist with signing for the deaf at meetings. I have not been contacted with any requests for accessibility assistance this year. I am still not receiving any district committee correspondence, and will not be able to attend tonight due to serving a WE Shelter dinner at my church. Can you also make sure I'm added to the email list? I still need a list of all home group GSRs to get an up-to-date list of accessible meetings. Thank you Sharon for providing all the necessary files! I appreciate everyone's help.

Grapevine: Present no report

LCM's are continuing to visit home groups in the District

DCM : The District will begin using Robert's Rule during district meeting. March 17th is the preconference and volunteers are still needed set up begins at 1030. Looking for Buzz Session Suggestions

Old Business April Buzz Session will be on Safety

New Business: Group discussed getting a sound system purchased for the district to use. Home Group member is looking for volunteers to sign for a deaf member. District is Looking for another LCM. A Buzz session request for Singleness of Purpose. Voted to put a public service announcement on YouTube.

Meeting adjourned at 730 with Responsibility Statement
