In August Live and Let Live set forth a motion to vote at assembly on the following: That the schedule for assemblies be set to maximize the amount of area business to be conducted on Saturday, including having all committee and officer reports other than the treasurer's and delegate reports to be delivered after all assembly agenda items. The District voted 13 to 3 in favor of motion.

Committee Reports

CPC/PI:

Met with Lynn I., Nancy D. & CPC/PI team from Young People's Group, Cam & John, to determine what areas each of them would like to focus on:

Nancy - Clergy, nursing facilities & distributing schedules to libraries

Cam - Schools

John - Treatment centers

Lynn - Medical community

Team members each have a "start-up" supply of pamphlets & meeting schedules. I'm now freed up to:

Establish contacts with college counsellors at Greensboro, Guilford College & A&T as well as to find a new contact for the UNCG School of Nursing

Work with Moses Cone to get literature into waiting rooms & clinics

Follow up on getting local contacts through NCDOT for M.A.D.D., A.L.E., DMV and Highway Patrol

Draw up an introductory letter to radio & tv stations and set up appointments about PSAs
